

# Collection Grauwinkel 1982-2012 - Thirty Years of Concrete Art

## Vasarely Museum

**12 May 2013 - 14 September 2013**

The Open Structure Art Society (OSAS) exhibits 100 selected artworks in the Vasarely Museum of Budapest from the private collection of the Berliner Siegfried GRAUWINKEL. The exhibition focuses on Constructive-Concrete Art, but also extends to the border areas of Minimalism, Conceptual-Art and Zero. The exhibition is guided by an illustrated catalogue of the whole collection.

Curator: István Haász.

The exhibition will be open till the 15th September.

**On the 14th at 6 pm we celebrate a finissage which is connected with the screening of a monographic video on the art of Max Bill.**

The exhibition is guided by an illustrated catalogue of the whole collection.
